DAKAR RALLY
08/01/2012 - Rest day

This Sunday, the 8th January, "rest" day for the convoy of the Rally.
Day dedicated to the reparation of the vehicles, it turns into a hard day for mechanics working late all weekend...

It marks the mid-Dakar : another long week of races to compete for the podium, to deepen the gap or not between competitors.

This is an inedit performance for Donerre : arrives to this date leader of the truck overall ! But nothing is decided yet...
