

DONERRE AMORTISSEUR INFORMATION LETTER 15 01 2012

## WORLD

**Donerre : first manufacturer of shock absorbers which win the Dakar Rally in the 3 CATEGORIES, from 1995 until today !!**

Donerre is the only manufacturer of shock absorbers to win the Dakar Rally in MOTO, CAR (T1 and T2), and now TRUCK !

Since 1995, Donerre account to its awards :

- 5 victories in moto
- 8 in T1 (prototype car category)
- at least 2 in T2 (car approaching in the series) including 1 this year 2012 with Javier Foj !
- and an unprecedented victory in the truck category !

(Here are counted only the victories of moto equipped with SHOCKS Donerre, not those equipped with WP Trax - the TECHNOLOGY of Donerre)
