

RALLYE DAKAR 01/01/2012 - Stage 1

Here we are, the Dakar Rally began Monday morning !
The Pan American epic of more than 9 000 km has been started from Mar del Plata, in Argentina, and will end in Lima, in Peru.
From the start of the first stage : 178 motorbikes, 30 quads, 161 cars and 74 trucks.

Among them, a fifty vehicles are equipped in Donerre :

- the full team De Rooy (5 race trucks and 5 assistance trucks)
- the first and only electric car which participate to the Dakar Rally !
- 3 can-am SSV (small vehicles halfway between the buggy and the quad)
- a ten cars
- and a lot of KTM motorcycles equipped with Trax, Donerre technology - the patented Detra - (there are 71 KTM at the start of the Rally). We know with certitude that the 3 pilots Cyril Despres, Frans Verhoeven and Marc Coma ride on motos equipped with the Trax system !

Competitors started on Monday, for the first stage, between Mar del Plata and Santa Rosa de la Pampa.
A journey of 820 km, divided into two parts :

- The first, called "connection" is a route with CP (check points), points of required passage. Here, the connection was 763 km !
- Then comes the "special" stage, the part of the race that is timed. All the WayPoints (area where it's necessary to pass) must be validated, otherwise there are penalty points.
This first special was very short, 57 km.

Results in short :

- For the trucks :
- Gerard De Rooy (n°502) arrives 2nd of the stage !
 - Miki Biasion (n°511) is 4th of the trucks !
 - And then, Hans Stacey (n°505) arrives 6th !
- For the cars :
- Jean De Azevedo (n°326) signs a wonderful 26th position !
