TUAREG RALLY

A ten of vehicles equipped in Donerre, whose
the cars of the teams Race2Recovery and
Bowler Offroad

At the end of this week, the former
military from Race2Recovery have
learned a lot about the driving tactic
in rally, for example how to cross a
dune without staying sand up.
Indeed, their team manager (and
boss of Donerre) known very well the
ground (the dunes of Merzouka in
Morocco) because he made a lot of
test days during the passed years.
